SECTION I

INTRODUCTION

The Lexington-Fayette Urban County Housing Authority (LHA) enters its fifth year as a Moving to Work (MTW) agency with the submission of the FY2016 Annual Plan. The LHA submitted a formal application to the federal U.S. Department of Housing and Urban Development (HUD) seeking admittance to the Moving to Work (MTW) demonstration program in November 2010. HUD announced LHA's selection for program admittance in March 2011, and the Housing Authority formally entered the MTW program on November 10, 2011 with the execution of an MTW Agreement between HUD and LHA.

Submitted: August 31, 2015

The LHA was established in 1934 to provide safe and desirable affordable housing to low and moderate-income individuals and families while partnering with community agencies to promote increased self-sufficiency and a higher quality of life for its residents. The agency provides housing assistance to nearly 4,000 low-income households in Lexington-Fayette County through the public housing and Housing Choice Voucher (HCV) programs. The Authority is governed by a Board of Commissioners, a group of dedicated citizens and local officials appointed in accordance with state housing law, who establish and monitor agency policies and are responsible for preserving and expanding the Authority's resources and ensuring the Authority's ongoing success.

The mission of the Lexington-Fayette Urban County Housing Authority (LHA) MTW Program is to:

Serve as a prudent financial steward of federal, state and local resources, endeavoring to more effectively provide safe and desirable affordable housing, while furthering the self-sufficiency of families within Lexington-Fayette County.

SHORT TERM GOALS

Rental Assistance Demonstration (RAD)

Renovation of the LHA's 206-unit Centre Meadows site (formerly Pimlico public housing site) is fifty percent near completion of an 18-month construction schedule. Construction began at the site in March of 2014 after the financing plan was approved between the LHA, HUD and the private equity investors. The renovation project is the result of HUD's Rental Assistance Demonstration (RAD), created to assist public housing authorities nationwide to address a \$26 billion dollar backlog of overdue capital improvements.

Submitted: August 31, 2015

The LHA applied for the RAD program in October of 2012 which meant the agency sought private equity partners to raise funds to finance the cost of the renovation. Through RAD, public housing units are converted to the Housing Choice Vouchers as the long-term source of federal project subsidy, however, there are no additional subsidy dollars provided by HUD under RAD.

When the site is reoccupied during FY2016, it will be available for low-income families that must pay 30% of their income towards the rent and will be subject to the LHA's admissions and occupancy policies for project-based vouchers.

Waiting List

The Lexington Housing Authority (LHA) opened the waiting list for the Housing Choice Voucher (Section 8) program for the first time since 2010. Pre-applications were accepted online only January 5 to January 9, 2015. During those five days, 4,045 on-line applications were submitted, an average of 34 applications per hour. Applicants were directed to the LHA's website for instructions on how to apply and the link to access the applications. Computer access was made available at the LHA's central office for applicants who did not have computer access. In addition, a list of community partners was made available for those people who needed assistance to apply and computer access. Pre-applications were selected by random lottery. In the coming months, HCV staff will begin calling in those 500 randomly selected applicants to complete the eligibility process and anticipate seeing all of those applicants over a 24-month period.

Additionally, the LHA's public housing waiting list which is partially closed was opened in January 2015 for two and three bedroom units at self-sufficiency sites. The LHA anticipates keeping the public housing waiting list open through the first half of 2015 to address vacancy issues.

The LHA's HCV program is also proposing a new waiting list preference for households that include an adult household member who is a veteran. Currently, the LHA provides 25 special purpose vouchers for social service partner, Volunteers of America (VOA) to provide stable, tenant-based voucher housing to low-income families while they receive services provided by the partner agency. During FY2016 the LHA will offer an additional 75 vouchers for families that include an adult household member who is a veteran. VOA addresses the needs of homelessness, addiction, developmental disabilities, HIV and low-income seniors through a variety of services.

The LHA's participation in the HUD-sponsored HCV Rent Reform Study is underway and will continue through 2021. The controlled study sets forth alternative rent calculation and recertification strategies that will be implemented at four public housing authorities across the country in order to fully test the policies nationally. The proposed alternative rent policies will include five key features: simplify income determination and rent calculation; implement triennial income recertification; streamline interim

Submitted: August 31, 2015

certifications to eliminate income review for most household composition changes and moves to new units; require the TTP is the greater of 28% gross annual income or the minimum rent with a portion of the TTP will be paid directly to the landlord, and; simplify the policy for determining utility allowances.

The LHA began calling in HCV households in April 2015, randomly assigned to either the control group of the study group. The Study Group vouchers will be managed using the proposed policies. The Control Group vouchers will be managed using the existing policies. Eligible participants for both the Study and Control Groups will include only those with vouchers that are administered under the Moving To Work (MTW) Program. Non-MTW Vouchers (i.e., Veterans Assisted Special Housing, Moderate Rehabilitation, and Shelter Plus Care), Special Partner programs (i.e., Bluegrass Domestic Violence, Bluegrass Regional Mental Health - Mental Retardation Board, Inc., and Volunteers of America), Enhanced Vouchers, and HUD Project Based Vouchers are excluded from the Study. Others excluded from the study include: elderly and disabled households; households currently using the childcare expense deduction to determine adjusted annual income; households headed by people older than 56 years of age who will become seniors during the course of the study; households currently participating in HCV Family Self-sufficiency (FSS) and HCV Homeownership programs; and households that contain a mix of eligible and non-eligible household members.

LONG TERM GOALS

To ensure LHA's participation in the MTW demonstration program meets the specific needs of the Lexington-Fayette community, the agency will continue to craft local initiatives to address long term needs and meet the following MTW objectives:

- 1. Increase the number and quality of affordable housing choices throughout the Lexington-Fayette community;
- 2. Increase the number of families moving toward self-sufficiency;
- 3. Increase and strengthen the number of community partnerships benefitting residents with special needs, especially those not adequately served elsewhere in the community and those requiring a "service-enriched" housing environment; and
- 4. Reduce the agency's administrative costs while limiting the administrative burdens placed on staff and residents.

To further both the federal and local MTW objectives listed above; the LHA has sought and received HUD approval to implement 16 MTW activities since entering the program in 2011. Through the submission of the FY2016 Plan, the Authority seeks approval for one new activity and to modify the hardship policy for ongoing rent reform activities, as well as revise a local version of HUD form 9886 that is signed by the tenant at the triennial recertification. Below is a chart summarizing the LHA's MTW activities. The numbers in the statutory objectives column of the table corresponds with the numbered descriptions below.

Statutory Objectives

- 1. To reduce costs and achieve greater cost effectiveness in federal expenditures;
- 2. To give incentives to families with children where the head of household is working; is seeking work; or is preparing for work by participating in job training, educational programs, or programs that assist people to obtain employment and become economically self-sufficient; and
- 3. To increase housing choices for low-income families.

Activity	Activity Description	Plan Year Proposed/ Modified	Status	Statutory Objective
1	Minimum Rent Increase to \$150 Across All Housing Programs	-FY2012-13 -FY2014 Significantly Modified	Implemented agency- wide April 1, 2014	2
2	Management Team III Rent Reform Controlled Study – No Rent Reduction Requests for 6 Months After Initial Occupancy for Bluegrass HOPE VI Public Housing Residents	-FY2012-FY2013	Closed Out FY2014 and replaced with Activity 13	1
3	Triennial Recertification of Connie Griffith Towers and HCV Elderly/Disabled Households	-FY2012-FY2013 Significantly - Modified FY2014 -FY2016 Request Approval to change HUD Form 9886	Ongoing	1
4	HCV Rent Reform Controlled Study: No Rent Reduction Requests for 6 Months After Initial Occupancy	FY2012-FY2013	Closed Out FY2015	1 & 2
5	Streamlined HQS Inspection Policy for HCV Units	- FY2012-13 -FY2014 Significantly Modified	Implemented FY2015 w/ Emphasys Elite Software	1
6	Biennial Housekeeping Inspection Policy for Public Housing Residents	FY2012-FY2013	-Not Implemented -Closed out	1
7	Public Housing Acquisition Without Prior HUD Approval	FY2012-FY2013		3
8	Conversion of Appian Hills Public Housing to Project- Based Vouchers	-FY2012-FY2013 -FY2014 Significantly Modified	Modified in FY2014 - Pimlico Converted to PBV w/ RAD/Not Implemented	3
9	Development of Project-Based Voucher Units at 800 Edmond Street	FY2012-FY2013	Not Implemented Resources used for RAD revitalization of Pimlico	3

Activity	Activity Description	Plan Year Proposed/ Modified	Status	Statutory Objective
10	HCV (Tenant-Based) Special Partners Programs	-FY2012-FY2013 -FY2014 Significantly Modified	Ongoing	3
11	Local, Non-Traditional Use of MTW Funds: Emergency Reserves for Connie Griffith-Ballard Towers	- FY2012-FY2013 -FY2014 Significantly Modified	Not Implemented until/ necessary for emergency capital repairs	3
12	Local, Non-Traditional Use of MTW Funds for HCV Special Partners With Designated Units	FY2014	Ongoing	2 & 3
13	Local Self-Sufficiency Admissions and Occupancy Requirements	FY2014	Ongoing Implemented April 1, 2014	2
14	Elimination of Earned Income Disallowance	FY2015	Ongoing	1
15	Limit HCV Landlord Rent Increases to the Lesser of 2%, the HUD Fair Market Rent (FMR) or Comparable Rent	FY2015	Ongoing	1
16	HUD/MDRC HCV Rent Reform Demonstration	FY2015	Ongoing	2
17*	Limit Interim Re-examinations for Public Housing Households	FY2016	Proposed	1

If there are any changes to the organizational structure of the wait list or policy changes regarding the wait list, provide a narrative detailing these changes.

The LHA's HCV program is also proposing a new waiting list preference for households that include an adult household member who is a veteran. The LHA willprovide 75 special purpose vouchers for social service partner, Volunteers of America (VOA) to provide stable, tenant-based voucher housing to low-income families that include an adult household member who is a veteran. The LHA's public housing program will also offer a preference to families that include an adult household member who is a veteran. The public housing and HCV program will offer a residency preference for families in Fayette County.

SECTION III -

Proposed MTW Activities: HUD Approval Requested

Activity 17

Limit Interim Re-examinations for Public Housing Households

Description

By limiting interim re-examinations, this initiative will reduce the administrative burden involved in processing annual and interim re-examinations and reduce the rate of errors in calculating adjusted income and rent. The staff time saved through this initiative will allow for better efficiency in processing annual and interim re-examinations.

Submitted: August 31, 2015

Meets Statutory Objective

Interim reductions in the rent portion will be made, but limited to reduce administrative costs to the LHA and to provide incentives to employed families to remain employed.

For households who are not elderly or disabled, interim adjustments will be limited as follows:

- Households may only request an interim reduction once between regularly scheduled re-examination periods. However, see the Hardship Policy below for exceptions to this limitation;
- Interim decreases will only be processed for loss of employment due to reduction in work force or closure of the place of employment where employment income loss is not covered by severance or separation benefits.
- No reduction based upon loss of job will be processed until the LHA receives documentation of eligibility or ineligibility for unemployment benefits;
- Decreases in public assistance income that are the result of a finding of fraud or a failure to comply with work/school requirements will not be processed.
- In calculating the reduction, all household income, including previously unreported income, will be counted:
- The household's loss of income must be expected to last longer than four (4) months;
- All interim rent reductions will be temporary.
- An exception to this policy allows for an interim at any time for compliance in 50058 reporting and is limited to the following: the addition of a household member, the death or removal of a household member.

After receiving a rent decrease, a family becomes obligated to report any new income within ten business days. A follow-up interim will be conducted to include new income, and the resulting increase will be implemented after providing the family with 30-day notice of the increase.

Anticipated Impact of Activity on Statutory Objectives

The activity relates to the statutory objective to reduce cost and achieve greater cost effectiveness in federal expenditures by reducing the amount of time housing management specialist spend processing interim re-exams. The time savings to housing management staff will allow for more efficient use of time for other housing management issues.

Submitted: August 31, 2015

Schedule for Achieving Objective

Upon HUD approval LHA would notify all public housing households of the initiative and the hardship policy 60 days prior to implementation.

Authorizations Cited

Authorizations Detailed in Attachment C or D of the Standard MTW Agreement

Initial. Annual and Interim Income Review Process

Item C.4. The Agency is authorized to restructure the initial, annual and interim review process in the public housing program in order to affect the frequency of the reviews and the methods and process used to establish the integrity of the income information provided. *This authorization waives certain* provisions of sections 3(a)(1) and 3(a)(2) of the 1937 Act and 24 C.F.R. 966.4 and 960.257, as necessary to implement the Agency's Annual MTW Plan.

Hardship Policy for Interim Re-examinations

The LHA will adopt a policy that may limit the ability of a participating family to request an interim reexamination between normally scheduled annual re-examinations. This restriction applies to all households who are not defined as elderly or disabled households. However, a household will be exempted from the limit of one rent decrease each year if it qualifies for a hardship exemption. To be considered for a hardship exemption the participant household must demonstrate that it is experiencing a financial hardship due to an unexpected or unprecedented economic burden on the family.

Submitted: August 31, 2015

At any time between required annual re-examinations and after one interim reduction in rent, a family residing in public housing may submit a written request for an exemption to the interim rent reduction policy. A household must meet the following requirements in order to receive a hardship exemption; all cases will be reviewed on a case-by-case basis:

- 1. The participant household must provide proof it is unable to continue to pay the current rent share because of a financial hardship, including:
 - The family's income has decreased because of loss of employment through no fault of the family and the family demonstrates efforts towards regaining employment;
 - A death has occurred in the family which eliminates a prior source of income; or
 - Other circumstances determined to warrant an exemption by the LHA.
- 2. The qualifying financial hardship must be long-term (a minimum of 4 months).
- 3. Allowing an additional interim re-examination beyond the normal one-per-year option could lower the household's rent (but only as low at the \$150 minimum rent) for up to 6 months.
- 4. Setting the household's rent at the minimum level for up to 6 months.
- 5. Setting the household's TTP at 30 percent of current income (but no lower than the \$150 minimum rent), for up to 6 months.

Until the request for a hardship exemption is reviewed and approved by the LHA the participating household is expected to continue to pay its portion of rent and utilities as previously agreed. The family is required to abide by all other requirements for continued occupancy and failure to do so is grounds for termination.

SECTION IV – Approved MTW Activities: HUD Approval Previously Granted

IMPLEMENTED ACTIVITIES

Activity 1: Increase Minimum Rent to \$150 Across All Housing Programs

Plan Year Activity Approved and Implemented

Proposed FY 2012 – FY 2013 for Pimlico Apartments Implemented May 1, 2012 Activity Expanded FY2014 to all Public Housing Units and HCV Units Implemented April 1, 2014

Description

All non-elderly/non-disabled public housing and Housing Choice Voucher (HCV) tenants pay \$150 in minimum rent. The LHA increased the minimum rent to \$150 across all housing programs (Section 8 & 9) excluding elderly and/or disabled households and households participating in HCV special partner programs in April 2014. The initiative promotes self-sufficiency by encouraging heads-of-household to work, while raising much-needed revenue.

Submitted: August 31, 2015

Centre Meadows (formerly Pimlico) a 206-unit apartment community was recently converted to Project-Based Voucher and remains vacant during renovation but is anticipated to open during FY2016. Once occupied, tenants at this site will be subject to the \$150 minimum rent.

Non-Significant Changes or Modifications During FY2016

The LHA does not anticipate any non-significant changes or modifications during the FY2016 Plan year.

Changes or Modifications Metrics, Baselines or Benchmarks During FY2016

The LHA does not anticipate any changes or modifications during the FY2016 Plan year to benchmarks and/or metrics for this activity.

Attachment C or D Authorization(s) Changes

There have been no changes in Attachment C or D authorizations since this activity was proposed and approved.

Significant Change or Modifications to the Activity Since Approval

Activity 3) Triennial Recertification of Connie Griffith Towers and HCV Elderly/Disabled Households

Submitted: August 31, 2015

Plan Year Activity Approved and Implemented

Activity Proposed, Approved, and Implemented – FY2012-FY2013 Plan For Connie Griffith Manor households
Activity Expansion Approved and Implemented – FY2014 Plan
Expanded to include HCV elderly and disabled households on a fixed income

Description of Activity and Status Update

This activity is ongoing. The Housing Authority implemented this activity for all 183 units at Connie Griffith Towers, an elderly high rise, during FY 2012 – FY 2013. Through this activity the LHA is recertifying households at Connie Griffith once every three years instead of annually. Between triennial recertifications, whenever the federal government adjusts benefits paid through fixed-income programs like Social Security and SSI, the LHA reserves the right to adjust resident household incomes and rent payments accordingly.

The success of that initiative prompted staff to request authority to expand the activity to HCV elderly and disabled families on a fixed income. As the vast majority of elderly and disabled households in the HCV programs rely on fixed-income sources, there is little variation in household income on an annual basis. In reference to this activity, households on a fixed income are defined as any household with any amount of income from a fixed income source like Social Security, SSDI, or pension income.

Additionally, the LHA created a "local version" of HUD-Form 9886 that would be signed by the tenant at the triennial recertification. Households who experience a significant loss of income, an increase in allowable medical expenses, or a change in family composition may request an interim recertification at any time. Households whose income increases \$200 or more per month must request an interim recertification.

Non-Significant Changes or Modifications During FY2016

The LHA is requesting approval to make one revision on the local version of HUD Form 9886 – Local Authorization for the Release of Information for households that have triennial recertification. Currently the form expires after 36 months. LHA is requesting to extend the expiration date to 40 months to accommodate recertifications that have been delayed that must be rescheduled due to unforeseen reasons. Extending the expiration date to 40 months will be a benefit to our clients, many of whom must reschedule due to issues facing low-income elderly and disabled populations such as medical emergencies, transportation issues, etc.

Changes or Modifications to the Metrics, Baselines or Benchmarks During FY2016

The LHA does not anticipate any changes or modifications during the FY2016 Plan year to benchmarks and/or metrics for this activity.

Attachment C or D Authorization(s) Changes

There have been no changes in Attachment C or D authorizations since this activity was proposed and approved.

Significant Changes or Modifications to the Activity Since Approval

Activity 5) Streamlined HQS Inspection Policy for Housing Choice Voucher

Plan Year Activity Approved and Implemented Proposed and Approved FY2012 – FY2013 Plan Significantly Modified FY2014 Plan Implemented FY2015

Description

Until June 25, 2014, HUD regulations mandated that housing authorities inspect every HCV unit at least annually to ensure they meet Housing Quality Standards (HQS). Section 220 of the 2014 Appropriations Act now allows housing authorities to comply with the requirement to inspect assisted housing units in the HCV program by inspecting such units not less than biennially, rather than annually. While LHA intends to uphold HUD's high standards of decent, safe, and sanitary housing maintained in good repair for all HCV households, the Authority believes it can achieve this outcome more cost-effectively through a new *Star Rating System* for HCV property owners.

Submitted: August 31, 2015

The LHA did not fully implement this activity during FY2015 as LHA's software provider continues to work on programming for this activity, LHA expects HCV tenant and landlord files to be functioning in the new software program that during FY2016. During FY 2015 LHA HCV inspectors began implementing inspections based on the star-rating.

Non-Significant Changes or Modifications During FY2016

The LHA does not anticipate any non-significant changes or modifications to this activity during FY2016.

Changes or Modifications to the Metrics, Baselines or Benchmarks During FY2016

The baseline and benchmark for this metric were established in FY2015 as data was not readily available due to software issues when HUD Standard Metrics were made a requirement in FY2014.

Activity 10) HCV Tenant-Based Special Partners Programs

Plan Year Activity Approved and Implemented

Activity Proposed, Approved, and Implemented in FY 2012 – FY 2013

Description

LHA partners with three social service agencies in the Lexington area to provide stable, tenant-based voucher housing to low-income families while they receive services provided by the partner agency. (LHA partners with an additional eight social service agencies that provide designated, fixed housing to low-income families; these partners are addressed in Activity 12 of this Plan.) These "special partner programs" serve some of Lexington's most vulnerable low-income populations, those who need wraparound services in order to stabilize their family situation and begin working to increase self-sufficiency. Targeted populations include the mentally ill, the homeless, those recovering from alcohol or drug addiction, and parents who have recently been released from jail.

Submitted: August 31, 2015

Through the approval of its FY 2012 – FY 2013 MTW Annual Plan, the LHA received permission to require that participants relinquish their tenant-based voucher at the time they graduate from or otherwise leave the program offered by the special partner, so another family may benefit from the housing and programming offered by the special partner.

The approval of this activity has permitted the LHA to provide an admissions preference to families eligible for and willing to participate in these special partner programs as a condition of continued assistance.

Households receive HCV tenant-based assistance through the following special partner programs.

HCV Special Partner	Description of Households Served	Families Selecting Private Market Units
Bluegrass Domestic Violence (BGDV)	Victims of domestic violence, dating violence, sexual assault, and stalking	25
Bluegrass Regional Mental Health - Mental Retardation (BGMHMR)	Persons with severe mental illness or substance abuse diagnoses who have completed treatment and are involved in recovery services	22
Volunteers of America (VOA)	Homeless individuals and families	25
	Total Units	77

While LHA hopes the majority of these families will subsequently seek unsubsidized housing in the private market, these households will also be eligible to apply for public housing or another HCV voucher (including Family Self-Sufficiency vouchers) through the Authority's normal application procedures.

Non-Significant Changes or Modifications During FY2016

The LHA does not anticipate any non-significant changes or modifications during the FY2016 Plan year.

Changes or Modifications to the Metrics, Baselines or Benchmarks During FY2016

The baseline and benchmark for this metric were established in FY2015 as data was not readily available due to software issues when HUD Standard Metrics were made a requirement in FY2014.

Submitted: August 31, 2015

Activity 12) Local, Non-Traditional Use of MTW Funds for Special Partners

Plan Year Activity Approved and Implemented

This activity was proposed and implemented in FY2014 and is ongoing.

Description

HCV staff met with representatives of the seven (7) special partner programs prior to implementation and signed Memoranda of Understanding (MOUs) in December 2013, and the activity was implemented in January 2014.

Submitted: August 31, 2015

The Authority currently provides monthly rental subsidy of \$124,360 to seven (7) special partners who have agreed to house and provide wraparound social services to a minimum of 358 families with special needs. During FY2015 LHA special partner agencies served a total of 679 families, an increase of 321 (53%) in households served. These agencies serve individuals with mental illness and/or substance abuse issues; individuals recently released from prison or jail; families in need of financial literacy, credit management, and homeownership resources; single parents enrolled full-time in higher education; and homeless individuals and families.

With Housing Authority approval, special partner organizations are permitted to require that participants reside in designated service-enriched housing units in order to receive rental subsidy; and

With Housing Authority approval, special partner organizations are permitted to house program participants in HUD-defined special housing types. Within these special housing type units, partner organizations will also be permitted to request Housing Authority approval to house up to two unrelated adults in a zero- or one-bedroom unit.

Those seven agencies are as follows:

Special Partner Program	Description of Households Served	# of Vouchers Provide	Actual Families Served in FY2015
Canaan House	Individuals who have been diagnosed with a mental illness	17	17
Hope Center	Persons who have a substance abuse problem and are in need of voluntary or court-mandated treatment	144	296
New Beginnings Bluegrass, Inc.	Individuals who have been diagnosed with a mental illness	24	31
OASIS Rental Assistance Housing Program	Families in need of financial literacy, credit management, and homeownership resources	30	53
One Parent Scholar House	Single parents who are full-time students in a post-secondary educational institution	80	140
Serenity Place (Chrysalis House)	Parents with children: 1) who have recently been released from jail or are homeless and 2) who are substance abuse treatment program graduates	40	108
Urban League of Lexington- Fayette County	Elderly individuals	23	34
Total Special Partner Units		358	679

Activity 13) Local Self-Sufficiency Admissions and Occupancy Requirements Activity

Plan Year Activity Approved and Implemented

Proposed and approved in FY 2014, this activity was implemented April 1, 2014 and is ongoing.

Description

LHA created this activity with the aim of eliminating loopholes that a small but significant number of residents use to avoid work requirements at its public housing self-sufficiency units. Through this activity, the LHA has the authority to:

Submitted: August 31, 2015

- a) Impose a minimum earned income calculation for families residing at self-sufficiency units regardless of employment status Minimum earned income for households members subject to the LHA's self-sufficiency work requirement will be calculated based on the following: Self-Sufficiency I units 52 weeks x 37.5 hours x federal minimum wage; and, Self-Sufficiency II units 52 weeks x 20 hours x federal minimum wage. The amount of assumed annual income will be modified when the federal minimum wage is updated. This requirement is a condition of admissions and continued occupancy for all families who accept self-sufficiency units. Families whose head/co-head is a full-time student, are exempted.
- b) Modify the Definition of Work Activity used to determine whether or not a family is compliant with the self-sufficiency requirements. In order to ensure that the employment activities sought by residents will enable them to earn at least the minimum imputed earned income, the LHA received permission to create a local definition of "work activity," which limits compliant work activities to paid activities that are most likely to ensure families' incomes at least equal the minimum imputed earned income amount. Instead of using the requirements found at 42 USC 607(d), the LHA now defines "work activity" as follows:
 - a) Unsubsidized employment; c) Subsidized public sector employment;
 - b) Subsidized private sector employment; d) Paid on-the-job training

Authorization to Expand Current Self-Sufficiency Requirements to the Revitalized Pimlico Units

In addition, the LHA received approval to require Self-Sufficiency Level II Admissions and Continued Occupancy Rules at Centre Meadows (formerly Pimlico Apartments) post-revitalization. Centre Meadows is a 206-unit site converted from public housing to project-based voucher through the Rental Assistance Demonstration (RAD) Program. Renovation is expected to be complete in fall of 2015. Returning families are exempt from these requirements for one year following re-occupancy.

Non-Significant Changes or Modifications During FY2016

The LHA does not anticipate any non-significant changes or modifications during the FY2016 Plan year.

Changes or Modifications to the Metrics, Baselines or Benchmarks During FY2016

There have been no changes to benchmarks and/or metrics for this activity.

Attachment C or D Authorization(s) Changes

There have been no changes in Attachment C or D authorizations since this activity was proposed and approved.

Significant Changes or Modifications to the Activity Since Approval

Activity 14) Rent Reform: Elimination of Earned Income Disallowance

Plan Year Activity Approved and Implemented

This activity was proposed in the FY2015 MTW Annual Plan and implemented during FY2015.

Submitted: August 31, 2015

Description

LHA staff proposes to eliminate the Earned Income Disallowance (EID) calculation for public housing and HCV households. Currently, federal regulations mandate the exclusion of earnings for public housing households in the following cases:

- The household income increases as a result of employment of a family member who was previously unemployed for one or more years.
- Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
- Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

In the Housing Choice Voucher Program, the EID calculation only applies to disabled family members in the following cases (This activity does not apply to treatment group participants in the HCV Rent Reform Study.):

- Families whose income increases as a result of employment of a disabled family member who was previously unemployed (defined as working less than 10 hours a week at the established minimum wage) for one or more years.
- Families whose income increases during the participation of a disabled family member in any economic self-sufficiency or other job training program.
- Persons with disabilities who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program for at least \$500.

An individual family member is eligible for the EID for a maximum of 24 consecutive months with an overall lifetime limit of 48-months. During the first 12 months 100% of earned income is excluded, while 50% of earned income is excluded during the second 12 months.

Staff reports that the EID calculation is only available to a very small population because of the very specific requirements for the disallowance. Monitoring the family members who receive the EID calculation from hire date through 48 cumulative months is difficult to track because households don't always report when employment status starts and stops. In addition, many who do receive the benefit quit their jobs at the end of the two year exclusion to avoid an increase in the household rent. For those reasons and the administrative burden, the LHA proposes to eliminate the EID calculation

Staff reports that the elimination of the EID has been extremely helpful in making more efficient use of time to complete other housing management tasks.

Submitted: August 31, 2015

This activity will reduce costs and achieve greater cost effectiveness in federal expenditures.

Non-Significant Changes or Modifications During FY2016

The LHA does not anticipate any non-significant changes or modifications during the FY2016 Plan year.

Changes or Modifications to the Metrics, Baselines or Benchmarks During FY2016

There have been no changes to benchmarks and/or metrics for this activity.

Attachment C or D Authorization(s) Changes

There have been no changes in Attachment C or D authorizations since this activity was proposed and approved.

Significant Changes or Modifications to the Activity Since Approval

15) Limit HCV Landlord Rent Increases to the least of 2%, HUD Fair Market Rent (FMR), or the comparable rent

Submitted: August 31, 2015

Plan Year Activity Approved and Implemented

This activity was proposed in the FY2015 MTW Annual Plan and implemented during FY2015.

Description

LHA staff proposes to limit annual contract rent increases for participating landlords to the least of a 1) 2% increase in current contract rent, 2) HUD's FMR or 3) the comparable rent. HCV staff has noticed that landlords are willing to lower the rent to comply with the 40% cap of a participant's monthly adjusted income at initial move in but at subsequent renewals will request a rent increase at a percentage which places a financial hardship on the family. In some cases, families are faced with the dilemma of possible eviction from the unit or have to uproot the family to move to a less expensive unit.

This activity will reduce cost and achieve greater cost effectiveness in federal expenditures by reducing the time HCV staff spends processing moves, which includes an interim examination and inspection of a new unit.

This activity will limit the number of families that need to move because their rent becomes unaffordable, thereby reducing the administrative cost burden associated with processing moves.

Non-Significant Changes or Modifications During FY2016

The LHA does not anticipate any non-significant changes or modifications during the FY2016 Plan year.

Changes or Modifications to the Metrics, Baselines or Benchmarks During FY2016

There have been no changes to benchmarks and/or metrics for this activity.

Attachment C or D Authorization(s) Changes

There have been no changes in Attachment C or D authorizations since this activity was proposed and approved.

Significant Changes or Modifications to the Activity Since Approval

Activity 16) HCV Rent Reform Study

Plan Year Activity Approved and Implemented

This activity was approved and implemented in April 2015. Random assignment for the study and control group was done in March 2015.

Submitted: August 31, 2015

Description

Lexington Housing Authority (LHA) has been selected to participate in a study commissioned by the U.S. Department of Housing and Urban Development (HUD) to evaluate a Housing Choice Voucher (HCV) alternative rent reform policy (the "Study"). MDRC, a nonprofit research organization, is conducting the Study on behalf of HUD. The Study sets forth alternative rent calculation and recertification strategies that will be implemented at several public housing authorities across the country in order to fully test the policies nationally. The centerpiece of the new policy is the substitution of triennial recertification of households' incomes for annual recertification. During the three-year period until a household's next recertification date, any increase in earnings it achieves will not cause the amount of rent and utilities it pays to go up.

LHA staff began seeing Study participants in mid-April 2015. LHA staff expects to complete enrollment of all Study participants by September 2015.

Non-Significant Changes or Modifications During FY2016

The LHA does not anticipate any non-significant changes or modifications during the FY2016 Plan year.

Changes or Modifications to the Metrics, Baselines or Benchmarks During FY2016

There have been no changes to benchmarks and/or metrics for this activity.

Attachment C or D Authorization(s) Changes

There have been no changes in Attachment C or D authorizations since this activity was proposed and approved.

Significant Changes or Modifications to the Activity Since Approval

NOT YET IMPLEMENTED ACTIVITIES

Activity 7) Public Housing Acquisition Without Prior HUD Approval

Describe any approved activities that were proposed in the Plan, approved by HUD, but have not yet been implemented, and discuss why these activities were not implemented; specify the Plan Year in which the activity was first approved;

Submitted: August 31, 2015

Activity Proposed and Approved - FY 2012-2013 Plan

Relief from HUD approvals prior to the acquisition of property will enhance LHA's ability to respond quickly to unique market conditions, making the Authority more competitive with other purchasers in the tight real estate markets typical of low poverty areas of the city. For example, sellers are not always willing to provide the agency with an option of long enough duration to cover the typical amount of time LHA requires to obtain HUD approval for site acquisition.

This relief will apply only to the acquisition of public housing units or vacant land purchased for the development of public housing units in non-impacted areas of the city.

All acquired properties will meet HUD's site selection requirements. Approval from the local HUD office will be sought when a pending real estate acquisition deviates from the selection requirements. Copies of all required forms and appraisals will be maintained at the Authority's main office. After acquisition, all required documentation will also be provided to the HUD field office so HUD officials can ensure that site selection requirements were met and establish records for these new public housing properties in the agency's data systems.

Provide an update on the plan for implementation of the activity;

The LHA did not acquire any public housing properties during FY 2012, FY 2013, FY 2014 or FY2015, so it was not necessary to implement this activity.

Provide a timeline for implementation;

The LHA will develop a timeline for this activity during FY 2016 should the Authority decide to acquire public housing units or land for the development of public housing.

Provide an explanation of any non-significant changes or modifications to the activity since it was approved;

The LHA does not anticipate any non-significant changes or modifications to this activity during FY2016.

Activity 8) Conversion of Appian Hills Public Housing to Project-Based Vouchers

Describe any approved activities that were proposed in the Plan, approved by HUD, but have not yet been implemented, and discuss why these activities were not implemented; specify the Plan Year in which the activity was first approved;

Activity Proposed and Approved - FY 2012-2013 Plan

Activity Significantly Modified in FY2014

While Appian Hills received \$500,000 in ARRA-funded energy improvements (cool roofing materials, new doors, and high-efficiency furnaces and water heaters), this 1970's turnkey development still needs

extensive capital improvements – including façade improvements, new windows, insulation in the exterior walls, and soundproofing between units. As part of this renovation, LHA will explore various ways to reconfigure the site's 27 four-bedroom homes.

Submitted: August 31, 2015

LHA continues to work diligently to secure adequate funding to revitalize the Appian Hills public housing development. This site may be rehabilitated in its entirety or in phases, as determined by the Authority. Once a plan for revitalization is agreed upon that includes the substitution of project-based vouchers for public housing subsidies, LHA will submit an appropriate application for disposition of the affected portion(s) of the site as well as a request for tenant protection vouchers for residents of affected units. As all available financial resources are being funneled to Pimlico/Centre Meadows, the rehab of Appian Hills has been put on hold, however staff will continue look for funding sources.

Provide an update on the plan for implementation of the activity;

Should HUD issue a NOFA during FY 2016 that would aid in the redevelopment of Appian Hills, LHA may apply for these funds.

Provide a timeline for implementation;

The LHA does not know when funding resources will be available for implementation of this activity. The LHA will actively seek funding opportunities during FY2016.

Provide an explanation of any non-significant changes or modifications to the activity since it was approved;

The LHA does not anticipate any non-significant changes or modifications to this activity during FY2016.

Activity 9) Development of Project-Based Voucher Units at 800 Edmond Street Describe any approved activities that were proposed in the Plan, approved by HUD, but have not yet been implemented, and discuss why these activities were not implemented; specify the Plan Year in which the activity was first approved;

Activity Proposed and Approved – LHA's FY2012-FY2013

LHA plans to develop between five and eight projected-based 3-bedroom townhomes on a vacant lot owned by the agency on Edmond Street. The property is adjacent to an existing 3-unit public housing site and close to the Authority's Pine Valley Management Office.

LHA is considering several options to finance the new construction at 800 Edmond Street. The Authority may allocate dollars from its program income fund, which in turn was funded through property sales and the collection of development fees associated with the implementation of its previous HOPE VI grants for Charlotte Court and Bluegrass-Aspendale. Alternatively, LHA may seek outside funds from a non-federal source.

The flexibilities provided through this MTW activity will be used to project-base the units at Edmond Street without a competitive process and to exceed the per-building cap typically placed on project-based voucher developments. Current project-based voucher rules limit percentage of project-based units to 25% of the units in the development. The LHA plans to project-base 100% of the units at this site.

Provide an update on the plan for implementation of the activity;

The activity has been not been implemented so that available financial resources could be focused on the rehabilitation of Pimlico/Centre Meadows. The LHA still plans to implement this activity once financial resources become available.

Submitted: August 31, 2015

Provide a timeline for implementation;

The LHA will develop a timeline for this activity during FY 2015 should the Authority decide to develop the Edmond Street property.

Provide an explanation of any non-significant changes or modifications to the activity since it was approved;

The LHA does not anticipate any non-significant changes or modifications to this activity during FY2015.

Activity 11) Local, Non-Traditional Use of MTW Funds: Emergency Reserves for Connie Griffith-Ballard Towers

Describe any approved activities that were proposed in the Plan, approved by HUD, but have not yet been implemented, and discuss why these activities were not implemented; specify the Plan Year in which the activity was first approved;

Activity Proposed in FY2012-2013 Plan Approved with FY2012 – FY2013 Plan Approval Revised in FY2014 Plan Revision Approved with FY2014 Plan Approval

Through its FY 2014 MTW Annual Plan, the LHA requested to retain the flexibility to use MTW funds should Ballard Tower (which is attached to an LMHA-owned public housing site, Connie Griffith Manor; serves low-income, elderly households; and is managed, but not owned, by the LHA) require significant emergency capital repairs. MTW funds would only be used if the tax credit investor can demonstrate to the Authority's satisfaction that it does not have the financial resources to complete the repairs itself. Despite the number/extent of unforeseen capital emergencies that might arise, the LHA will provide Ballard Place no more than \$300,000 in emergency funds in total.

When this activity was proposed the LHA did not have a confirmed funding source for sorely needed capital improvements at Ballard. After the activity was approved, the site's tax credit investors informed the LHA that they would indeed have sufficient funds to complete the needed work. Having spent a significant portion of their reserves to fund these improvements the Housing Authority was concerned about their ability to cover any additional emergency capital repairs, which prompted creation of this activity.

Provide an update on the plan for implementation of the activity;

This activity has not yet been implemented, but will be implemented if there is an emergency capital expense necessitating the use of these funds at Ballard Place. LHA is pursuing several options to provide much-needed supportive services to residents of both Connie Griffith Manor and Ballard Place, including onsite case management and health services. To this end, the LHA has hired two service coordinator positions at the towers. The Authority will continue to examine possible avenues to utilize MTW funding flexibility to enhance the provision of services to residents of both towers.

Provide a timeline for implementation;

The LHA will develop a timeline for this activity during FY 2016 should the Authority encounter an emergency that would result in a financial hardship for the property which would necessitate the used of the MTW emergency reserves.

Submitted: August 31, 2015

Provide an explanation of any non-significant changes or modifications to the activity since it was approved;

The LHA does not anticipate any non-significant changes or modifications to this activity during FY2015.

A. LHA Board Resolution

Submitted: August 31, 2015

RESOLUTION APPROVING THE LHA'S FY 2016 MOVING TO WORK ANNUAL PLAN

WHEREAS, the Lexington-Fayette Urban County Housing Authority (LHA) executed a Moving to Work (MTW) Agreement on November 10, 2011, which provides LHA with the authority to investigate and adopt new policies and to flexibly use HUD funding; and

WHEREAS, as part of the MTW Agreement, an annual plan must be developed and submitted to HUD to formally enable the Authority to fully use the policy and budget flexibility provided to participants in the MTW Program; and

WHEREAS, the U.S. Department of Housing and Urban Development (HUD) approved the LHA's FY 2012 MTW Annual Plan on December 29, 2011; and

WHEREAS, the LHA's FY 2015 MTW Annual Plan was approved by HUD on September 2, 2014, effective through June 30, 2015; and

WHEREAS, LHA has proposed one new activity in the FY 2016 MTW Annual Plan that will allow public housing tenants one interim request annually for a reduction in rent between regularly scheduled re-examination periods, identified as MTW Activity 17; and

WHEREAS, the LHA has proposed revisions to the Hardship Policy for all MTW activities (excluding Activity 16 – HCV Rent Reform Study), in addition to modifying the local version of HUD Form 9886 – Local Authorization for the Release of Information for households that have triennial recertification (MTW Activities 3 and 16) to extend the expiration date to 40 months; and

WHEREAS, a Board Resolution approving the proposed FY 2015 MTW Annual Plan and required Certifications must be included in the submission provided to HUD; and

WHEREAS, LHA staff has distributed the Annual Plan to the Board of Commissioners, has allowed thirty days from April 10, 2015 through May 10, 2015 for the public to comment on the Plan, and has conducted a Public Hearing on May 5, 2015 to discuss the proposed Annual Plan before its submission to HUD.

NOW, THEREFORE, BE IT RESOLVED BY THE LEXINGTON-FAYETTE URBAN COUNTY HOUSING AUTHORITY BOARD OF COMMISSIONERS that the FY 2016 MTW Annual Plan is approved, and that the Executive Director, Austin Simms, is hereby authorized to submit this Annual Plan and the required Certifications to the U.S. Department of Housing and Urban Development.

Kyna Kech, Chairperson Board of Commissioners May 21, 2015

PUBLIC HEARING ANNOUNCEMENT

Submitted: August 31, 2015

Lexington Housing Authority

Lexington-Fayette Urban County Housing Authority (LHA) Public Hearing Regarding Revisions to the: 1) FY 2016 Moving to Work (MTW) Annual Plan; 2) Public Housing Admissions and Continued Occupancy Policy (ACOP); and 3) Housing Choice Voucher (Section 8) Administrative Plan

There will be a public hearing on **Tuesday, May 5, 2015 at 5:30 PM** at LHA's Central Office, located at 300 W. New Circle Rd, Lexington, KY 40505. Accommodations for disabled or non-English speaking persons will be made available upon advance request. The subject of the meeting will be LHA's FY 2016 MTW Annual Plan that includes one new activity and revisions to the hardship policy; proposed modifications to the Public Housing ACOP that include a preference for veterans; proposed modifications to the Housing Choice Voucher (Section 8) Administrative Plan that include a preference for veterans and a local residency preference for residents of Kentucky.

LHA welcomes public comment regarding these changes from April 10 – May 10, 2015. Complete copies of the affected documents (and a summary of proposed changes to each) have been posted on the LHA website (www.lexha.org), are available for public viewing at LHA's Central Office, or can be mailed upon request. Written comments should be addressed to Andrea Wilson at LHA's Central Office or emailed to wilsona@lexha.org. For additional information, call (859) 281-5060. Persons with hearing or speech impairments can receive assistance contacting the LHA by dialing 7-1-1 to reach the Kentucky Telephone Relay Service.

C. KSU Evaluation

Since entering the Demonstration, the LHA has partnered with Kentucky State University to evaluate our rent reform MTW activities. KSU has oversight of the MTW program evaluation process, with an overall mandate to assess, monitor and report on the effects of MTW initiatives, including the proposed rent reform initiatives to be undertaken in FY2016. The central goal of the rent reform evaluation is to measure the overall effectiveness of the rent reform in accomplishing HUD's stated goals of: increasing the number and quality of affordable housing choices throughout the Lexington-Fayette community, increasing the number of families moving toward self-sufficiency, strengthening the number of community partnerships benefitting residents with special needs, and reducing administrative costs while limiting administrative burdens placed on staff and residents. In addition, the evaluation will consider potential disparate impacts on protected classes of residents as determined by sex, race, ethnicity, age and disability.

APPENDIX A – HARDSHIP POLICY

The LHA's current hardship policies for Activity 1 – Increase in Minimum Rent and Activity 13 – Local Self-Sufficiency Admissions and Occupancy for public housing Self-Sufficiency I and II units have been revised as follows. This policy is applicable to all other LHA housing programs excluding the HCV Rent Reform Study and Activity 17.

Submitted: August 31, 2015

A Hardship Review Committee will be created to review individual cases of significant rent burdens or rent increases for families. Residents can request a Hardship Waiver Request form from their housing management office. The Hardship Review Committee will review hardship requests on a case-by-case basis.

The hardship committee will consist of at least two people on of which must by a senior LHA public housing or housing choice voucher management staff member.

In order to qualify for a hardship exemption, the household must provide proof it is unable to continue to pay the current rent share because of a financial hardship, including:

- The family's income has decreased because of loss of employment through no fault of the family and the family demonstrates efforts towards regaining employment;
- A death has occurred in the family which eliminates a prior source of income; or
- Other circumstances determined to warrant an exemption by the LHA.

The qualifying financial hardship must be long-term (a minimum of 4 months) and will set the household's Total Tenant Payment (TTP) at 30 percent of current income, but no lower than the minimum rent for up to six (6) months.

Until the request for a hardship exemption is reviewed and approved by the LHA Hardship Review Committee, the participating household is expected to continue to pay its portion of the rent and utilities as previously agreed. The family is required to abide by all other requirements for continued occupancy and failure to do so is grounds for termination/eviction.

The Hardship Review Committee will send decisions to the housing manager within five (5) business days of receiving verification of all necessary information, such as income, social security benefits, etc., associated with the hardship request.

If the resident disagrees with the Hardship Review Committee's decision they can request a grievance hearing. The LHA will take no action to change a resident's rent in cases where a grievance hearing has been requested until such time as the grievance process has concluded.

If the resident is approved for a hardship and the hardship expires, the resident can re-apply as needed. There is no limit on the number of hardship requests that can be made.

The Hardship Review Committee will consist of at least two people. One of whom will be a member of LHA's senior staff. Public Housing management teams or HCV management will not review hardship requests submitted for tenants that report to their management team or HCV office.
